[RUSH] MESSAGE:

① Please initial the through citations on PTO-forms dated 07/25/03 (pages 1 of 10, and 2 of 10 - other documents are not initialed).

② PCT/US95/11855 is listed in the oath under continuing data (S120) but shown listed on bib sheet under foreign priority. Is PCT=cont data or foreign priority. If cont data, please amend bib sheet and specification (A2-bmdt) to show PCT=cont data (on, DIV, CIP or "which is a 311").

[XRUSH] RESPONSE:

PCT/US95/11855 is not part of continuing data. There is no continuity from this case to PCT/US95/11855, so it should be deleted as priority data. I have crossed it out on the Bib Sheet.

A signed copy of the PTO-1449 of 7/25/03 is provided.
